# Webinar Outline

## Themes

- Approval
- Assessments
- Grading
- Calendars
- Polling
- Networking
- Mobile

## Practical

- Class setup
  - Assigning students
- Group permissions
  - Modifying for each course
- Calendars
  - Making sure each student has access (TXT alerts)
- Assignments
  - Adding and modifying
- Library
  - Adding and modifying

# Why Edmodo?

Real-Time Messaging

Mobile Access

Privacy Control

Share Links and Embeds

Assignments and Grading

Polls

Store and Share Files

Public Stream (RSS)

Class Calendar

Subscribe to Feed

Notifications and SMS

Document Viewer

Allows for greater collaboration

Auto-grades

Polling

SMS Notifications

24/7 Access

# Webinar Goals...

Have a working Edmodo Profile by:

1. Creating Groups for your Classes
2. Distributing access codes
3. Creating assignments/polls/quizzes
4. Adding to your library
5. Adding Calendar reminders
6. Creating your profile
7. Joining Networking Groups

# Approval!

Before you use Edmodo for your courses, please make sure that you get approval from the appropriate people:

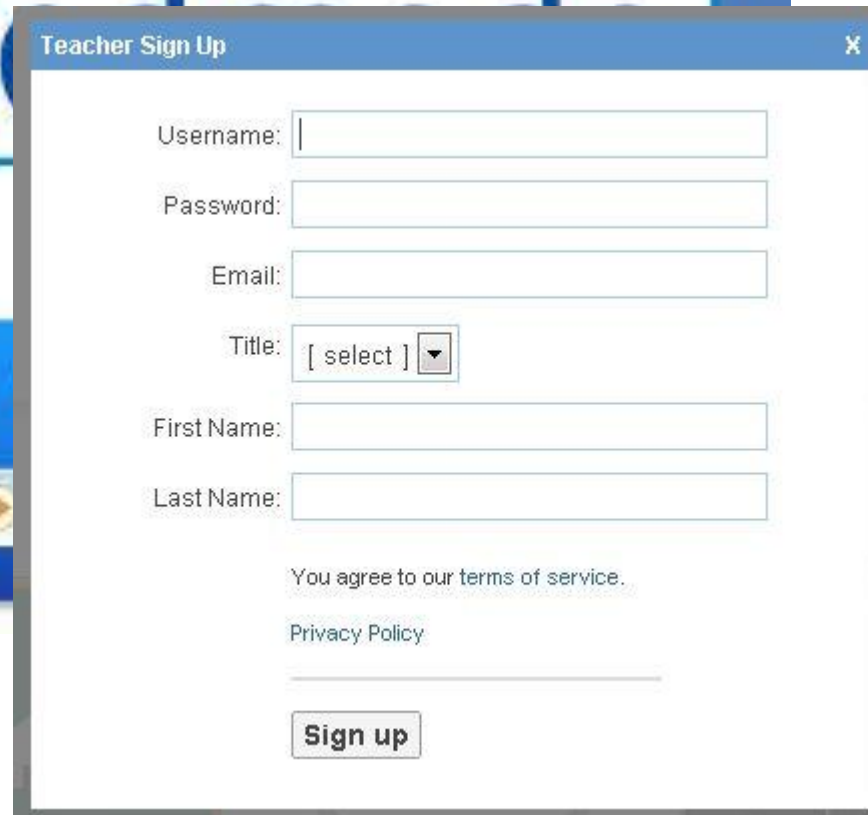

1. Technology Support
2. District EdTech Management
3. Principal

# Practical 1: Setup

1. Sign up as a Teacher

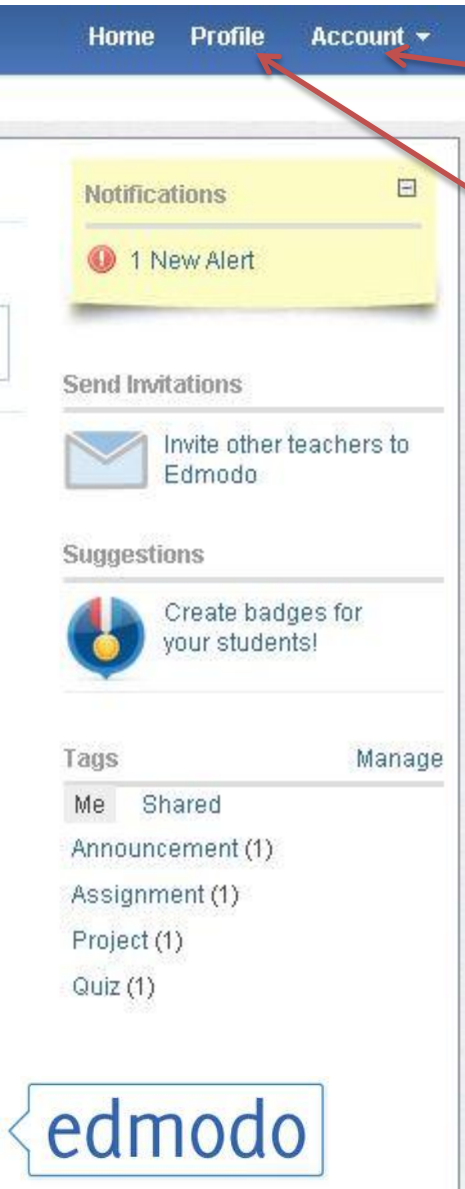

2. It is remarkably easy to setup an account with Edmodo, but making it operational takes more time.

The image shows a screenshot of the Edmodo 'Teacher Sign Up' form. The form is titled 'Teacher Sign Up' and includes the following fields: Username, Password, Email, Title (a dropdown menu with '[ select ]' and a downward arrow), First Name, and Last Name. Below the fields, there is a checkbox for 'You agree to our terms of service.' and a link for 'Privacy Policy'. At the bottom of the form is a 'Sign up' button.

[www.edmodo.com](http://www.edmodo.com)

# Practical 2: Profile Changes

1. Click on Account
2. Click on Settings
3. Modify your contact info and upload a photo
4. Click on Profile
5. Edit your description to your taste.

(My Favorite Avatar!)

Extra Credit: Connect with vfitzjarrald from the profile page. This will allow you to message me!

# Practical 3: Creating Groups

1. Click on Create!
2. Click Advanced Options

**Create Group** X

Important: Learn about group management features

Group Name:

Default all new members to read-only

Moderate all Posts and Replies

Grade:

[Select a Grade] ▼ or Range

Subject Area:

# Practical 4: Signup Students

**Show Notifications**

MS STEM

Group Code: **in72ov** ▾

Request To Join URL

Group Settings

Subscribe Group To Feed

Public Page

Members (15) Manage

1. Distribute the Code

2. Send the join URL

Having students join is actually less painful than you would think!

**Student Sign Up** ✕

Group Code:

Username:

Password:

Email (opt):

First Name:

Last Name:

You agree to our terms of service.

[Privacy Policy](#)

Works great when paired with Google Apps for Education since all students will then have school email addresses to use with notifications.

# Practical 5: Assignments

**Planetary Data Quiz**

## Assignments:

1. Upload a Doc
2. Create Assignment
3. Create Quiz
4. Create Poll

## Extra Credit

1. Create Alert
2. Create Note

Assignments are important, as is using the library... We are going to switch over and demo some uploading and assigning...

# Practical 6: Adding to the Library

The library is your friend!

Google  
Upload  
Saving  
Assign  
Assign

The screenshot displays the Edmodo Library interface. On the left is a sidebar with an 'Add to Library' button and a list of folders: 'Library', 'Attached to Posts', 'Google Docs', 'Favorites', 'AN Assignments', 'DataTeam', 'MS Assignments', 'Progress', and 'STEM Assignments'. The main area shows a list of documents. The first document is 'Astronomy Research Project.doc' by Mr. Fitzjarrald, with 'View' and 'Download' options. The second document is 'Planetarydata.doc' also by Mr. Fitzjarrald, with 'View' and 'Download' options. At the top right of the main area, there are controls for 'Select: All None' and 'All Types'. A text box on the right side of the main area contains the instruction: 'Select items on the left to show information about them here.'

- Assignments:**
1. Assign a folder to each group you made
  2. Connect your Google Docs Account

# Practical 7: Calendars/Reminders

Calendar auto-updates with new assignments  
Can also create new events from scratch...

The screenshot shows the Edmodo user profile settings page. The top navigation bar includes 'edmodo', 'Calendar', 'Grades', 'Library', 'Mr. Plato Athens', 'Settings', and 'Logout'. The main content area is divided into sections: 'User Photo' (with an upload button and a grid of avatars), 'Notifications' (with a dropdown menu for 'Text Message', a phone number field, and a 'Phone Provider' dropdown), and a list of notification types (Alerts, Notes, Links, Files, Assignments, Events, Direct Messages, Replies) with checkboxes. A callout box with an orange border and text says 'Get notifications via email, Twitter, or text messages to your mobile phone.' Two orange arrows point from this box to the 'Text Message' dropdown and the 'Phone Number' field.

<http://edudemic.com/2010/06/more-fun-than-facebook-this-social-network-saves-time-and-enhances-learning/>

- Assignments:**
1. Setup your preferred notification plan.
  2. Create and assign a day off for your students...

# Practical 8: Networking
